

Serviced Disabled, Veteran Owned, Small Business

The Team at American Surgical Instrument Repair, LLC is honored and proud to carry on the legacy of our founder, William Arnold. William was a patriot who was proud to serve our Country. As a Service-Disabled Veteran, he brought that same passion to his work in serving the healthcare Industry. He pioneered the culture of providing the most advanced craftsmanship and technical expertise with the fastest turnaround times. Our mission is to ensure that legacy continues.
